

EDWARD LIM

(213) 663 - 8400 ◇ <https://www.linkedin.com/in/edwarddlim7> ◇ edwarddlim7@gmail.com

EDUCATION

University of California, San Diego

Expected June 2017

B.S in Cognitive Science with a specialization in Human-Computer Interaction and a minor in Design

Major GPA: **3.2**

PROJECTS

Fido September 19, 2016 - December 10, 2016

- Conducted user interviews and made user scenarios
- Made storyboards and paper prototypes of beginning designs
- Created basic wireframes using HTML and CSS
- Used node.js to interact with JSON data
- Created a fully functional application using HTML and CSS

Juice January 4, 2015 - March 19, 2015

- Conducted user interviews and made user scenarios
- Used comparative analysis to compare different mobile music platforms
- Made paper prototypes of beginning designs
- Created wireframe prototypes with basic functionality

COURSEWORK

Modeling and Data Analysis

- Applied different analysis techniques using MatLab
- Visualized, interpreted, and communicated results of analyses

Usability and Information Architecture

- Used comparative analysis to compare existing applications and find unique features
- Used wire-framing applications to design basic prototypes
- Conducted many user interviews and scenarios with detailed walkthroughs

Interaction Design

- Focused on user-centered design
- Used node.js to gather JSON data in handlebars
- Collaborated with team using GitHub and Heroku

Cognitive Design Studio

- Made rapid prototype designs based on user needs
- Conducted interviews and surveys to gather user data/needs
- Tracked team progress through the use of a development plan
- Created affinity diagrams to organize user needs

SKILLS

Programming	Java, HTML, CSS, Bootstrap, MatLab
Applications	Balsamiq, Axure, Invision, Adobe Experience, MatLab
Language	Korean (conversational)
